Notice Concerning Impact of Typhoon Meari

RENOVA, Inc. expresses its support and solidarity towards those who have recently been impacted by Typhoon Meari.

We have confirmed that we have sustained no damage that will significantly affect our large-scale solar PV plants and Biomass power plants in operation and under development in the wake of Typhoon Meari, which caused only a minor impact in the Chubu and Kanto region on 13th of August, 2022.

If any further impacts identified in the future, we will promptly make announcement.
